The Temple Of Peace

presents:

Family Fun Day

June 4th, 12pm - 4pm

at the Temple of Peace: 575 Haiku RD, Haiku

We are launching a rockin' youth group at the Temple of Peace on Sundays for children ages 8-17. We are creating a safe, fun space for our youth to connect and grow meaningful relationships. Activities will include: open mike nights, spiritual cinema, yoga, theater, youth and family camps... and lots more!

So bring the whole family by on Saturday, June 4th to kick the program off with a day of fun!! There will be *hooping, juggling, improvisation, arts & crafts* and a presentation about *empathic communication* by David and Christina from ChildShift about how to build *emotional intelligence* in your families.

We look forward to meeting you!

ChildShift teaches parents, caregivers and children how to intentionally create the family and community of their dreams with confidence, inspiration, peace & passion!
